NON-VIOLENT MOVEMENT TO ENSURE PEOPLE'S RIGHTS TO LIVELIHOOD RESOURCES

May-June 2011

EKTA SHANTI MANCH, NEW INTERNATIONAL NETWORK FOR PEACE AND JUSTICE

Violence, hunger, inequality and the ecological crisis are the main challenges of the 21st century. Today humanity must find a way out of those problems. That's why Ekta Parishad recently launched a new network of non-violent activists. Ekta Shanti Manch promotes the well-being of all. It works to provide a constructive approach to remove suffering and injustice. By joining Ekta Shanti Manch members are making a strong commitment to become the change we want to see in the world.

Every member of Ekta Shanti Manch gets a personal peace and justice identity card in support of Jan Satyagraha. The card provides advantages like regular information about Ekta Parishad's youth camps and mobilizations or possibilities for guided visits through the working areas of Ekta Parishad. It also

facilitates contacts with JINOV international a similar network launched in France. In a close collaboration they encourage non-violent initiatives of the youth all over the world.

The network targets youth from urban middle class. It is a chance to create links and raise solidarity between the youth and landless marginalized people from rural areas.
